## The New Orleans Linux Users Group

**Nolug meets every third Thursday** of the month on the UNO campus at 7:30 PM in the auditorium (room 102) of the MATH building.

**Help will be offered to everyone** that attends regarding Linux, UNIX, and open-source software. Also, limited help for Mac OS X is available, as well.

**Nolug exists for you** — whether you're a long-time user, network administrator, gamer, or programmer, or you've heard about Linux and are wanting to know if it
